

No Health Without Mental Health

Community Approaches to Mental Health Promotion

A ONE-DAY SYMPOSIUM ON MENTAL HEALTH PROMOTION

VANCOUVER
CANADA
JUNE 10, 2007

This event is endorsed by the
International Union for Health Promotion and Education (IUHPE) Conference,
June 10–15, 2007.

This one-day symposium will bring together
international and Canadian researchers and practitioners to:

- increase collaboration
- facilitate discussion and networking
- advance mental health promotion research, evaluation and practice
- highlight effective community policies, programs and strategies from around the globe.

Themes:

- Women • Youth • Seniors • Aboriginal people • People with mental illness • Victims of trauma
- Rural/remote villages • National policy
